Director Bill Bottomline, Ph.D.
Federal Crime Fighting Bureau
1111 Take No Prisoners Court
Washington, D.C.

Dear Dr. Bottomline:

I appreciate your giving us the opportunity to provide your company with a whitepaper concerning profiling in criminal investigations. We are prepared to furnish the Federal Crime Fighting Bureau with a full proposal that will enable you to determine whether or not we will be able to meet the needs of the organization.

By March 20, 2012, you will have received our proposal, including the definition of, history of, legality of, and efficacy of the process criminal profiling, per your request. The proposal will follow your request for a detailed plan encompassing a description of the problem, rationale and significance, plan of work, facilities and equipment, personnel, and cost proposal.

It is a pleasure doing business with you. We look forward to moving forward with this partnership.

Sincerely,

Y. Hope Osborn
Manager, Sales Division
